

# Experiment 11

Demonstrate Infrastructure as a Service (IaaS) by creating a resources group using a Public Cloud Service Provider (Azure), configure with minimum CPU, RAM, and Storage.

Step 1:Go to resource group

Step 2-Create resource group

### Step 3-Give necessary things for resource group

The screenshot shows the 'Create a resource group' page in the Azure portal, specifically the 'Tags' tab. The page title is 'Create a resource group'. Below the title, there are tabs for 'Basics', 'Tags', and 'Review + create'. The 'Tags' tab is active. A message states: 'Apply tags to your Azure resources to logically organize them by categories. A tag consists of a key (name) and a value. Tag names are case-insensitive and tag values are case-sensitive. [Learn more](#)'. Below this, there is a table with three columns: 'Name', 'Value', and 'Resource'. The table contains three rows: the first row has 'scree' as the name and '5' as the value, with 'Resource group' as the resource; the second row has 'shot' as the name and '10' as the value, with 'Resource group' as the resource; and the third row is empty. At the bottom of the page, there are buttons for 'Review + create', '< Previous', and 'Next : Review + create >'. The Windows taskbar at the bottom shows the date and time as 10:30 AM on 18-10-2023.

Name	Value	Resource
scree	5	Resource group
shot	10	Resource group
		Resource group

### Step 4-Resource group created

The screenshot shows the 'Create a resource group' page in the Azure portal, specifically the 'Review + create' tab. The page title is 'Create a resource group'. Below the title, there are tabs for 'Basics', 'Tags', and 'Review + create'. The 'Review + create' tab is active. A green message box at the top says 'Validation passed.'. Below this, there are sections for 'Basics' and 'Tags'. The 'Basics' section shows: Subscription (Azure for Students), Resource group (rishitha), and Region (South India). The 'Tags' section shows: scree (5) and shot (10). At the bottom of the page, there are buttons for 'Create', '< Previous', and 'Next >'. A link 'Download a template for automation' is also present. The Windows taskbar at the bottom shows the date and time as 10:31 AM on 18-10-2023.

Section	Item	Value
Basics	Subscription	Azure for Students
	Resource group	rishitha
	Region	South India
Tags	scree	5
	shot	10
